

**SIKADEV**

SOFTWARE ENGINEERING TEAM

COMMERCIAL PROPOSAL

Ref: Sika-DSP-2026-001

Date: September 2026

Prepared for: Naito De Saint EnterpriseTrading as: **Desaint Stationeries** | Founder & CEO: **Mr. Aseim Solomon**

Head Office: Sunyani, Bono Region, Ghana | Tel: +233 20 015 2394

**1. EXECUTIVE SUMMARY & PARTNERSHIP**

Following your discovery submission, **SikaDev** has designed a comprehensive digital enterprise solution tailored to the scale of **Desaint Stationeries**. With your operation handling print runs of **5,000 to 10,000 custom exercise books per school order**, multi-channel wholesale distribution, and regional parcel dispatch across 8 regions, you need a robust, unified system.

Through our valued relationship with Cotakyi Ventures, **SikaDev has designated Desaint Stationeries as our Premier Founding Enterprise Partner**, applying a substantial founding subsidy to ensure rapid deployment and maximum commercial return for your upcoming peak season.

2. SCOPE OF DELIVERABLES **Multi-Channel Storefront & B2B Wholesale**

Public retail catalog + restricted wholesale portal with carton volume tiers for partner bookshops.

 School Book Customizer & Proofing Suite

Ruling selection, crest uploader with 5k–10k MOQ rules, plate fee automation, and digital proof approval.

 Walk-in Store Point of Sale (POS)

Fast counter cashier sales terminal with instant receipt generation for your Sunyani store.

 "Managerial Aspect" — CEO Executive Suite

CEO real-time profit dashboard, school credit & receivables ledger, and staff role permissions.

 GH Ghana Tax & Invoicing (Act 896)

Dual Mode GRA VAT + automatic 3% Withholding Tax line item calculation on institutional proformas.

 Regional Logistics & Waybill Tracking

Dispatch tracking for VIP, OA, Imperial, and Metro Mass bus terminal parcels and campus truck deliveries.
